DEDICATION

Twenty-four years have passed since Mrs. Audrey Cady came from Augusta, Georgia to minister as secretary to the President of God's Bible School. Diligence, efficiency, dependability, firm commitment and deep spirituality have characterized Mrs. Cady's life of service under the direction of four presidents and two administrative-assistants to the President. As an expression of appreciation for the life and work of this faithful secretary, the annual staff takes pleasure in dedicating the 1973 Hilltop to Mrs. Audrey Cady.

Retrospection . . .

let us rewalk
moments
in the past . . .

September is . . .

Sunshine and
warm breezes —

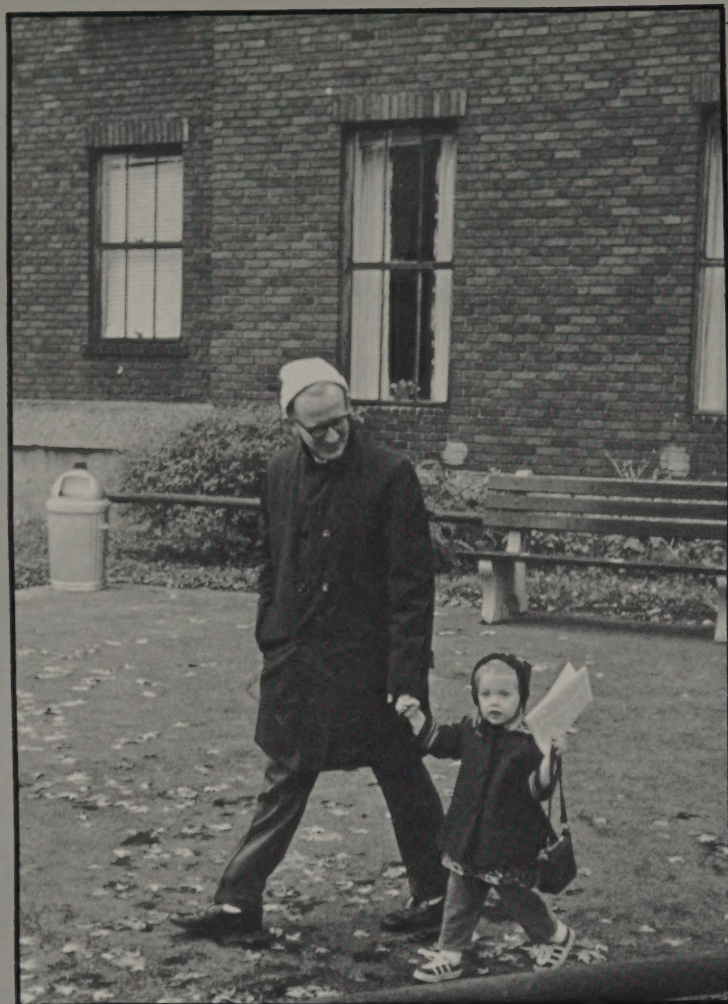

Getting acquainted —
Making new friends —

The feeling of
competition in a
game of volley ball —

The Fall Revival

When surrender
leads to victory —

September is the
opening of a door to
lessons for life . . .

October is . . .

Rustling leaves —
 Walking as a fall shower
 Refreshes an autumn
 day-memories and dreams
 Joining hands during the
 highlighted week-end of
 Homecoming-fun and
 Fellowship shared at
 the Fall Picnic —
 October is falling
 leaves and
 golden dreams . . .

November is . . .

Chilling breezes unveiling
the splendor of winter —
The warmth of belonging —
Concentration on a game —
Missionary Convention —
November is
security in doing
the task before you . . .

December is . . .

Purity of falling snow-snappy cold weather painting rosey cheeks — gift exchanging — Christmas caroling — Christmas is the swelling notes of the “Messiah” ringing out the message of Christmas . . .

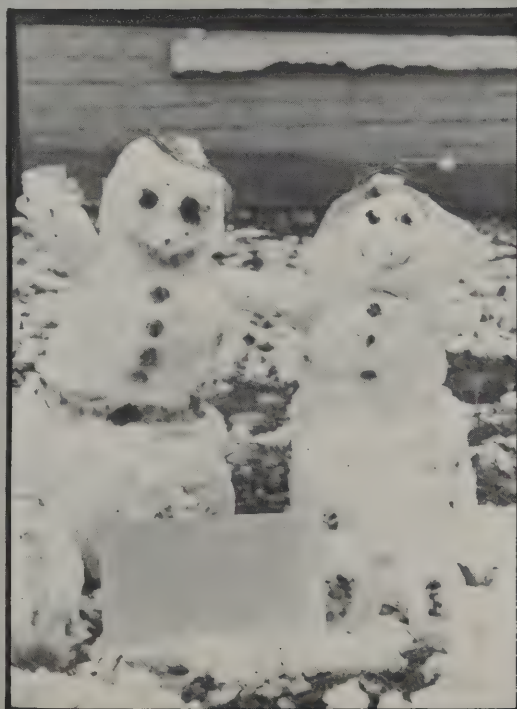

January is . . .

The burning of midnight oil — Diligent preparation for exams — Second semester registration —

The mid-year revival — A snow covered incline —

January is like a new start with the past still lingering near . . .

February is . . .

Music — Long rehearsals for the choir —
practice toward perfection — A trip to the
recording studio —
February is performing to bless others . . .

March is . . .

Springtime vibrating forth on the notes of
melodies —

The piano recital — Harmonies of praise to
our creator —

March is a forward step . . .

April is . . .

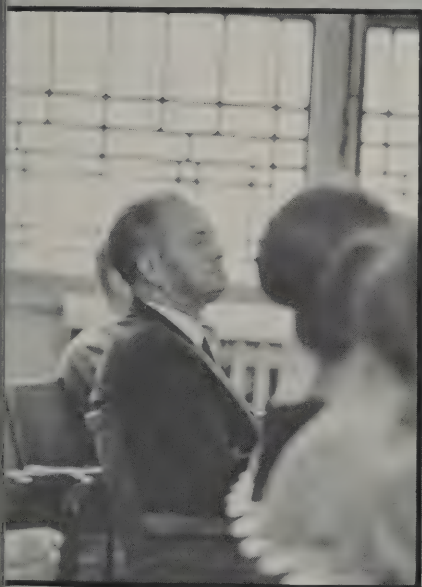

Telling the wonders of
creation to a child —
Feeling His spirit in
chapel —

Sharing warmth and consolation
with an older person —
Kneeling in prayer before
class —

April is remembering
Christ who died and
arose for us . . .

May is . . .

Finishing up the last of long-term assignments —

Senior plays and trips —

The banquet — an energetic time at the spring picnic —

Busy preparation for camp meeting —

May is activities
Wrapped in excitement . . .

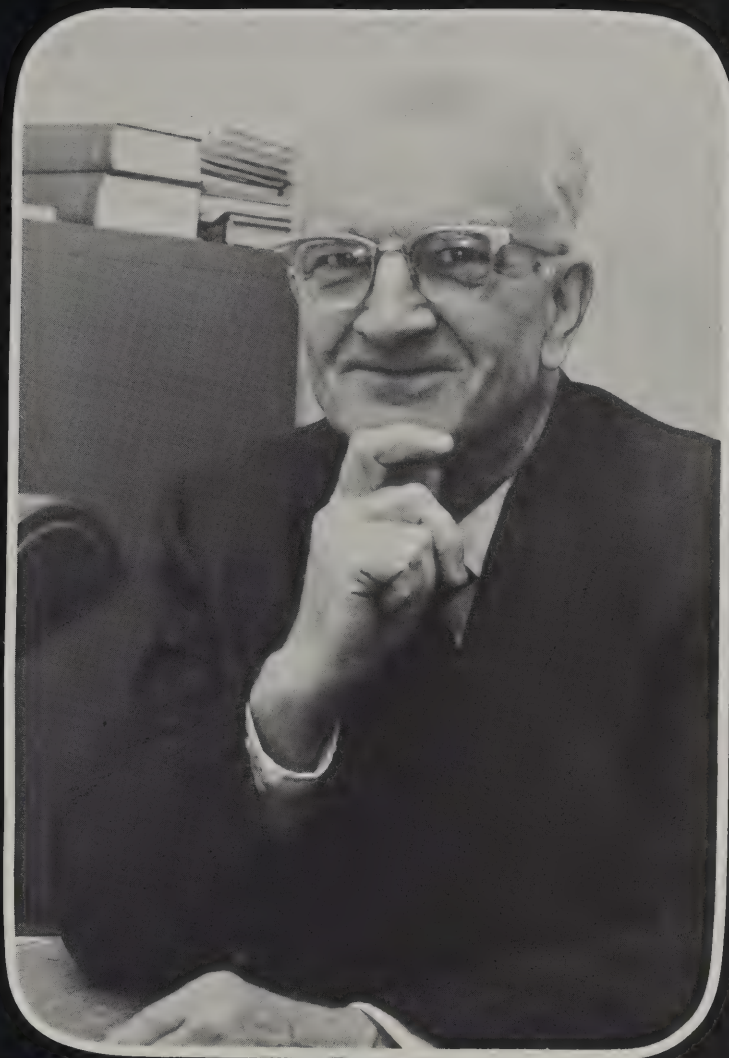

June —
at last . . .

Slowly with premeditated mind waver we relinquish our hold and strive to do
our best
Realizing we were not only to receive but give for it is those moments that
we'll long want to relive . . .

This has been a big year for the G.B.S. Acapella Choir which numbered thirty-seven. Hours of extra practice were needed to prepare for their biggest event of all, the cutting of their recording on January 22. Just prior to the making of the recording they presented the "Messiah" in the Christmas Program. Every choir member was willing to put forth the effort to see a successful choir tour which is an annual spring event for the choir.

Hundreds of souls were blessed by the musical ministry of the high school choir when, under the direction of David Stetler, they made their first Christmas tour. The theme of the Cantata was "Love Transcending."

FACULTY CHILDREN

CITY MISSIONS

To the Young . . .

An average of 275 children and adults enter our city missions each Sunday with hungry hearts seeking love and security. The pastors and workers, by the help of the Lord, endeavor to produce happy, smiling faces and enrich the lives of these precious jewels

REST HOMES

To the old . . .

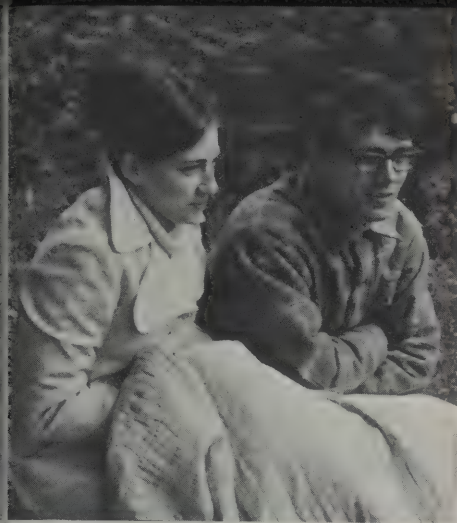

Three resthomes in Cincinnati have opened their doors to the students of G.B.S. Teams, led by Mr. Richard Sparks, visit the old folks every Sunday and Wednesday afternoon.

FALL PICNIC

Freezing rain . . .
cold feet . . .
sniffles . . .
doesn't sound like picnic
weather but we sure had
fun! No one wanted to
miss the big ballgame or
that first date. We all de-
cided it would take more
than rain or a muddy play-
ing field to dampen our
spirits!

MISSIONARY CONVENTION

"A need constitutes a call."

Needs were represented by:

Rev. R.G. Flexon,

Rev. K.C. Brown,

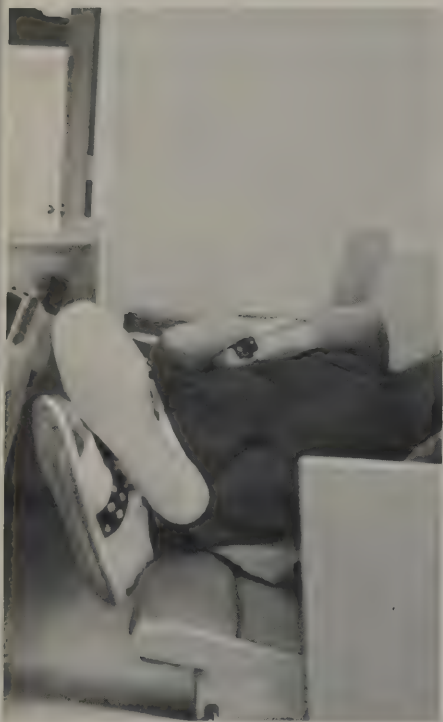

Rev. Joseph Simon,
Mrs. Ruby
Reisdorph, and
John McCrary
from our city missions.

CHOIR TOUR — 1972

We well remember—

Nights in the scout camp, miles on the bus,
friends along the way. Our reward . . . the
harvest of souls: the reason for it all.

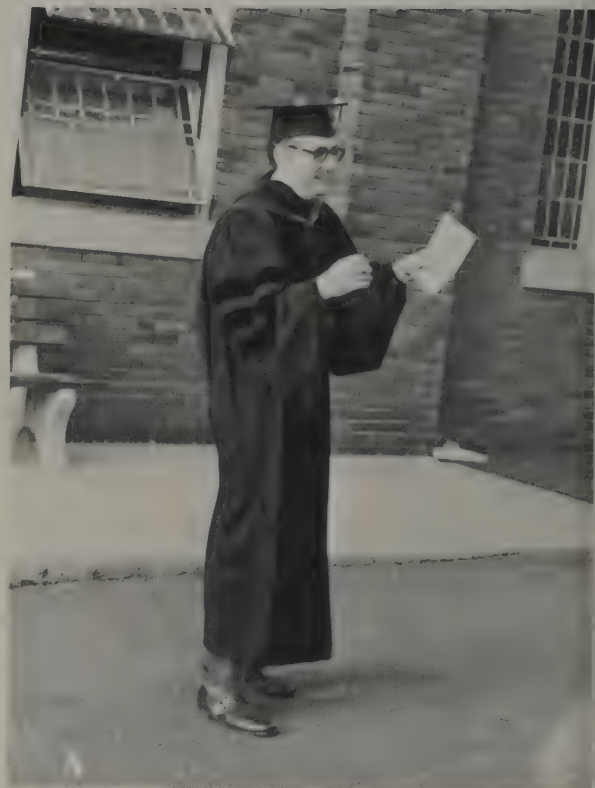

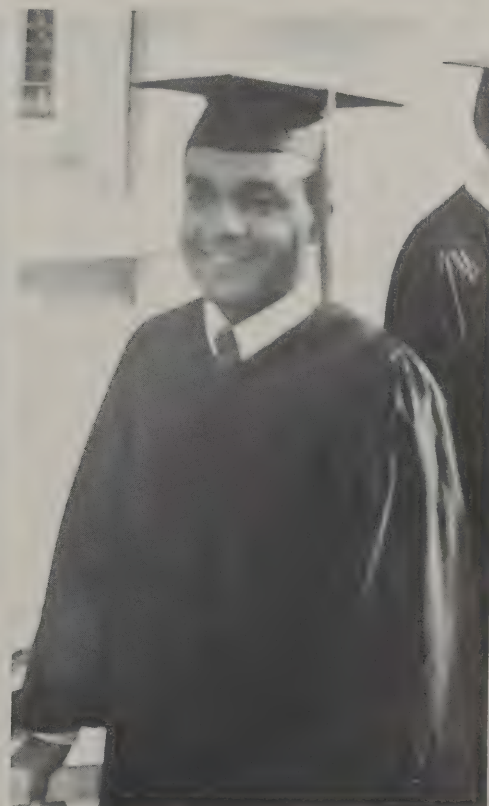

It was our privilege to sing in Beach City, Barberton, Canton, and Ironton, Ohio; Country Chapel in Pennsylvania and three great days at the I.H. Convention in Huntington, West Virginia

COMMENCEMENT — 1972

Hats on straight . . . programs in hand . . . cameras loaded . . . all in readiness for the long awaited time. Diploma in hand . . . the hour is past . . . the road lies ahead . . . God's call is our goal.

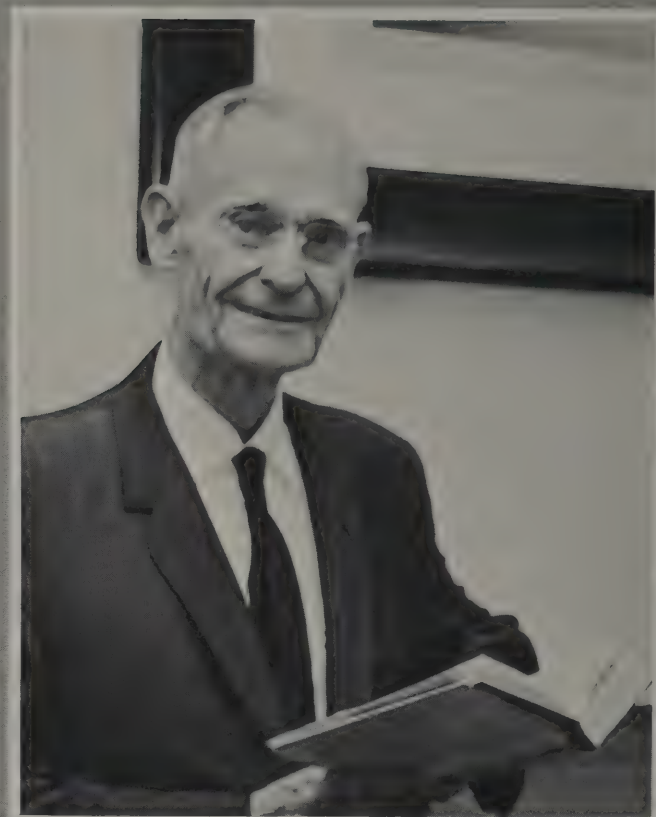

IN LOVING MEMORY

The Lord has called the young people here
but to all of the people of the world, may
the Lord's love be a blessing to them. Their
souls are in the hands of the Lord and
will be no more for those who are in
the world.

"The Lord's love is the best gift we can have
in this life."

NU-SASH[®] replaces your old house windows. It won't warp, rust...never needs paint!

PROBLEM:
Old casing constantly expands and contracts causing window to bind and stick.

SOLUTION:
Nu-Sash eliminates this problem with a pressurized frame constructed to expand and contract with the casing. Sash will always open and close easily.

PROBLEM:
Loose-fitting meeting rails permit drafts and dirt to enter. Forced entry is easy with old style meeting rails.

SOLUTION:
Nu-Sash solves this problem with an interlocking weather-stripped check rail sealing out winter cold and dirt. This also insures you of a prowler-proof lock system.

PROBLEM:
Old sash is hard to wash, is a dangerous and time consuming job.

SOLUTION:
Nu-Sash tilt-in for easy inside window cleaning. Makes cleaning easier. Safer. And cuts down on your cleaning time.

PROBLEM:
Scraping, puttying and painting are expensive time consuming maintenance problems.

SOLUTION:
Nu-Sash ends your maintenance problems with an acrylic white or pearl gray, baked-on finish that won't chip, crack, or peel. Plus a unique vinyl drop-in glazing eliminates puttying. Makes replacing broken glass an inexpensive job.

PROBLEM:
Old rope and pulley system is outdated and in need of repair. Sash slide up and down loosely letting in cold air and dirt.

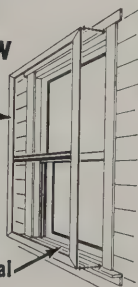

SOLUTION:
Nu-Sash operates with finger-tip ease because of a unique balance system. Vinyl sash track cuts down friction. And acts as weather-stripping.
